Come grow with us!

**A career worth exploring is a career
with Bayhealth Medical Center.**

Bayhealth Medical Center is a multi-site healthcare organization with locations in Central and Southern Delaware. These are exciting times for Bayhealth as we prepare for physical and service expansion. If you are looking for job enrichment, career progression and a great way to serve your community, Bayhealth may have the right employment opportunity for you.

CRITICAL CARE TELEMETRY

F/T and P/T. All shifts available. Current CPR,
ACLS certification required (BSN preferred).
New graduates welcome to apply.

Bayhealth Medical Center offers a competitive salary/
compensation package, flexible benefits, tuition reimbursement,
and an employer paid pension plan. If you are ready for an
exciting opportunity, apply by sending your resume
or on-line application.
