## About Us

Union Hospital, located in Elkton, Maryland, is dedicated to supporting the health and wellness needs of our community.

Union Hospital is a 100+ bed, full service, community based hospital. We are dedicated to meeting the needs of our community providing services for Cecil County, Maryland; New Castle County, Delaware; and the surrounding areas. As an integral part of the community, our staff provides individualized family centered-holistic care to patients of all ages and their loved ones.

## Our Vision

To facilitate the development of a system of care and services that will improve people's health, be of higher quality, provide more satisfaction, and be lower in cost.

## Our Mission

Union Hospital is dedicated to supporting the health and wellness needs of our community in collaboration with other providers and to ensure that services reflect high quality, compassion, and value.
