

Cerebral Palsy Association of New York State

Cerebral Palsy Associations of New York State (CP of NYS), a multi-service organization with 24 Affiliates, was founded in 1946 by families of children with cerebral palsy, and has become a nationally recognized leader in the care and treatment of people with many different types of disabilities. Together, our 17,000 employees provide services to over 85,000 people with disabilities, and their families, all across New York State.
